

Meadowbrook Neurology Group^{PC}

What to bring with you to your first appointment:

- Picture ID – We are required by law to verify your identity. The intent of this law is to protect you from identity theft.
- Insurance ID card
- List of your current medications, including all vitamins and nutritional supplements
- Any recent testing you have had **related to the condition for which you are being treated in our practice.** Please bring **both films/CDs and reports** for any radiological testing you have had.

What to bring to each follow-up appointment:

- Picture ID
- Insurance ID card
- Updated list of your current medications
- Any test results that are pertinent to your condition that were ordered by other physicians and performed since you were last seen in our office.

If any of the information mentioned above is missing, your appointment and your treatment may be delayed, and your appointment may be rescheduled.
